Opportunity Funding

Directed Funds for students identified as English Learners and students from low-income households

Delaware Department of Education
Opportunity Funding Form
2022-2023 School Year

Application deadline: July 29,2022

Purpose: Senate Bill 56 of the 151st General Assembly codified the Opportunity Fund, an additional source of education funding for Delaware public schools intended to support the increased needs of low income and English learner students, and established the parameters for how the funding is to be distributed and the usages reported. Epilogue language in the annual appropriations Act provides further parameters regarding usage and allocation.

For FY23, this is a combined school-based application for both the Flexible funding and Mental Health and/or Reading funding (if applicable) allocations.

Appropriation Allocation Method:

Flexible Funding - \$30 Million to be allocated. LEAs will receive school-based allocations at \$616.35 per English learner (EL) and \$616.35 per low-income (LI) student. LEAs shall have flexibility in the use of these funds to enhance services to EL and LI students, including using these funds to cover 100% of personnel costs for associated staff, contractual services, supplies and materials, or other expenditures deemed necessary to provide additional supports to these populations. Staff may include, but not be limited to, personnel dedicated to improving reading comprehension and math proficiency, or who provide additional wrap-around services or mental health supports. Funding allocations shall be made available to LEAs upon the passage of the FY23 budget so that in early July LEAs may begin to hire staff, procure instructional materials, execute contracts for services, and plan for the upcoming school year.

Mental Health and/or Reading - \$8 million to be apportioned to schools which meet the following criteria based on prior year unit count: (1) a grade configuration containing kindergarten through fourth grade and (2) greater than or equal to 30% Low income and/or greater than or equal to 10% English learner enrollment. These funds for mental health support shall be in the form of school counselors, school social workers or licensed clinical social workers, school psychologist and/or for additional reading supports for grade K-5. Services may include the employment of staff, where such funding may be used to cover 100% of personnel costs on a 10-12-month basis and/or contracted services.

All districts shall be authorized to assess a local match to provide for the local costs associated with this appropriation.

Accountability:

For FY23, local school boards shall allocate not less than 98% of the total allocation it receives generated by a specific school to that school. A local school board that wishes to allocate the funds in a different manner may do so in accordance with 14 Del. C. §1704(4).

Delaware Department of Education
Opportunity Funding Form
2022-2023 School Year

Districts and charter schools shall submit an annual report to the Department of Education on the use of the funds no later than January 1st of each year detailing how each school expended the funds earned and total expenditures by school, and make those reports publicly available on their website.

Metrics: Academic growth, progress toward English language proficiency (ELP) and mathematics proficiency, and reduction in chronic absenteeism.

In addition to the accountability measure data, the Delaware Department of Education (DDOE) will provide support by offering:

- Toolkits on evidence-based best practices for improving outcomes for EL and low-income students.
- Guidance for selecting high quality instructional materials.
- Technical support enabling LEAs to take a comprehensive look at their funding streams in order to maximize and coordinate them.
- Professional learning provided by content experts.
- Sharing best practices in a variety of ways including regular meetings with curriculum directors, chiefs/principals, social media and presentations.

Investment and Goals by SCHOOL

Provide additional detail about the plan in the chart by school for each Opportunity Funding investment with its associated cost and proposed impact. These charts should be copied and completed for each school receiving funds. *For each investment, include baseline data and numeric targets to measure impact. A state budget sheet will be completed by the district/charter after the plan has been approved.*

<p><i>EXAMPLE: Contracted full-time school-based EL coach</i></p>	<p>\$70,000</p>	<p><i>Example: The contracted English learner coach will support schoolwide implementation of the WIDA English Language Development Standards. The coach will provide professional learning and in-classroom supports to all educators on the integration of content and language. The expected impact is a change in teacher practice, based on classroom walkthroughs, ultimately leading to increased outcomes on both content assessments and ACCESS ELP targets.</i></p>	<p style="text-align: center;"><input checked="" type="checkbox"/></p>
<p>Continue Employment of a Full-Time Dean of Academics</p>	<p>\$72,113</p>	<p>The Dean of Academics will continue to focus on the goal of reducing the gap between English Language Learners (ELL), low income (LI) students, and the overall student population's baseline performance, reducing non-proficiency by 50 percent as measure by local and SBAC assessment data through the Multi-Tiered System of Supports (MTSS). PCA attributes this success to the highly effective data-driven professional learning communities (PLC's) that were established and facilitated by the Dean of Academics in conjunction with the school's instructional coaches. By combining new program resources with data-driven PLC's, direct instructional coaching within the classroom, effective professional development, and targeted student-centered interventions, students were able to achieve the instruction needed to continue to close learning gaps. Through this grant, the Dean of Academics will be tasked with continuing to implement, with fidelity, a comprehensive system of MTSS to ensure EL and LI students receive the targeted small and large group remediation needed to achieve enhanced academic programming through Tier II and Tier III interventions, while proficient EL/LI students will continue to receive differentiated support in Tier I. The Dean of Academics will continue to support the training and implementation of</p>	<p style="text-align: center;"><input checked="" type="checkbox"/></p>
